Michael Merrick is used to pressure. He's the only parent his three brothers have had for years. His power to control Earth could kill someone if he miscalculates. Now an Elemental Guide has it out for his family, and he's all that stands in the way. Michael's girlfriend, Hannah, gets that. She's got a kid of her own and a job as a firefighter that could end her life without a moment's notice. But there are people who have had enough of Michael's defiance. Before he knows it, Michael's enemies have turned into the Merricks' enemies, and they're armed for war. They're not interested in surrender. But Michael isn't the white flag type anyway. There will be blood on the ground tonight . . .
