The Dance Begins Diane Chamberlain

In this short story prequel to *Pretending to Dance*, psychologist Graham Arnette longs to dance the way he used to, before illness stole his ability to walk. Graham lives on one hundred acres of family land with his daughter Molly and his wife Nora-and with Amalia, a green-eyed beauty with whom Graham shares his hopes and fears. Six-year-old Molly is the light of Graham's life. As he and his extended family turn an old springhouse into a playhouse for her, long buried hostilities emerge that lead to anger and resentment. . . and, ultimately, to the healing power of family love.
