Do bad girls really have more fun? Surveys say no. The women who are most likely to enjoy sex are married and religious. In other words, they're Good Girls! But good girls know that making sex great isn't about acting trashy. It's about recognizing what God really designed sex for, and then learning how to reap all these benefits and joyfully enjoy your husband.

Frank and contemporary, *The Good Girls' Guide to Great Sex* will give the newly engaged and new brides--- and some veteran wives---a Christian place to turn to answer their most intimate, and embarrassing, questions. In a conversational style, with lots of humorous anecdotes, the book will explain that sex isn't just physical; it's also an emotional and spiritual experience. And we'll learn why commitment in a Christian marriage is the perfect recipe for a sex life which is out of this world!
