Why Choose This Book

Prince Charles and Princess Diana made headlines with their fairytale wedding and with their separation and divorce. This book will show you that the fairytale romance that people so gushed about was doomed from the start. You will discover how Charles and Diana's love story yielded to the challenges and trials facing a couple and how it all ended in a tragic death that shook the gates of Buckingham Palace and made us realize how the star of the much-loved Diana became brighter than those of the royal family.

What's Inside

Follow the lives of Charles and Diana from their birth to their engagement, be amazed by the spectacle of their fairytale wedding and sympathize with them as they go through a bitter separation that led to their divorce. In between, discover:

- Charles' early life as heir to the throne and Diana's struggles in being an unwanted and unloved child
- How Diana coped with the celebrity status that comes with being the future wife of the Prince of Wales
- The signs that foretell the fate of their marriage
- The things that drove Charles away from Diana
- The events that led to their separation and eventually, divorce
- Diana's affairs and Charles' relationship with Camilla Parker-Bowles
- Diana's death, and how it shook the foundation of the monarchy
