ACCESS DENIED For Reasons of National Security is the blockbuster latest book by Cathy O'Brien with Mark Phillips, authors of the classic TRANCE Formation of America.

With their lives and liberty on the line, TRANCE was hurriedly condensed from courtroom testimony into a book form and privately published by the authors in September 1995. Now in it's 14th edition, people are seeing today what was exposed in this book almost two decades ago!

ACCESS DENIED For Reasons of National Security is the rest of their true life's story, which required 16 years for the authors to survive and 3 years for them to write. This book is an amazing testament to the strength of the human spirit and one you will never forget for as long as your thoughts remain free.

While TRANCE has become known worldwide, now in eleven licensed translations is one of the most successful US government whistleblowers' book ever written. TRANCE was never intended for the public who had no frame of reference for understanding mind control nor was it to be considered a book. Rather it is a true and to date uncontested document for the US Congressional Permanent Select Committees on Intelligence Oversight. TRANCE is Cathy O'Brien's documented testimony she provided to US courts, US Congress, and the United Nations Commission on Human Rights Abuses of her existence as a CIA MK-Ultra mind control project's slave.

ACCESS DENIED provides pertinent facts on mind control in a comprehensive manner that inspires positive action through conscious awareness. This book was written for all people who have endured trauma; from childhood abuse to the horrors of war. It offers the detailed healing methods and coping skills Mark taught Cathy in order for her to heal from MK Ultra mind control and PTSD. This book is a monument to the power of love and truth, and inspires positive action through conscious awareness.

ACCESS DENIED is a book of logical answers, solutions, and positive hope for all of u.s. and our allies around the world.
