Alea Reborn

Stormy McKnight

Alea Reborn Stormy McKnight

Alea's just your normal, average human, going about her boring, everyday business when she's suddenly killed in a car accident. What's not so normal and average—at least not for an Earthling—is finding herself Reborn on the planet Prion, into a community called Abondiel, a race of Elves who took to the trees of Prion thousands of years ago to escape the Ground Elves.

The Abondiel have no female offspring, so Alea is Reborn as mate to Maliuth, the Abondiel's hunky blond First Prime. She must adapt to her new mate and her new world—and Abondiel has to adapt to her too. They haven't even discovered kissing until she gets there, for goodness' sake. But everything is shaken up even more when The Elder, the most powerful member of the Oracle, seizes Alea for himself. Now loyal soldier Maliuth will have to break all the rules to get her back.

An adult fantasy romance from Ellora's Cave

Publisher's Note: This book was previously self-published as Maliuth and has been revised for EC.
