Make 'Em Laugh

Steve Allen

Make 'Em Laugh Steve Allen

The success of Steve Allen's *How To Be Funny* led first to the republication of that book, and now occasioned a companion volume, *Make 'Em Laugh*. This new how-to book about the art of comedy includes an even richer assortment of examples of the author's unique humor.

In *Make 'Em Laugh*, Allen laces his formal instruction with hilarious ad-libs, written jokes, TV comedy sketches, satires, song parodies, humorous essays, amusing autobiographical reminiscences, one-act plays, witty speeches, and stand-up monologues from his comedy concerts.

Noel Coward called Steve Allen the most talented man in America, and he is probably the most borrowed-from comedian of all time. The perceptive reader will recognize many of the comic ideas that Allen originated during the "Golden Age" of television comedy - ideas that are still influential in the 1990's.

If there were a college course in creating and performing comedy, *Make 'Em Laugh* would be the ideal textbook.
