### ??? Booklist

It's been two years since Annie Galloway's husband died, and she is finally putting her life back together, even though she stays in Shelter Rock Cove, Maine. Annie has never lived anywhere else, and her life is tied to the small community, which is a blessing and a curse. Her mother-in-law took her in at sixteen when her parents died, and she feels grateful for her love, but her husband was not the saint that everyone thinks he was. When she meets Sam Butler, a Manhattan investment broker hiding out in the small town and reevaluating his life, they instantly connect, but some townspeople are suspicious of the newcomer and his relationship with Annie. Sam and Annie do keep secrets from each other, hoping to keep their newfound love separate from the past, but prying neighbors may tear them apart. Once again Bretton creates a tender love story about two people who, when they find something special, will go to any length to keep it. Patty Engelmann
