With one last sleepover before they both go away to college, best friends Audrey and Jennifer plan to stay up all night and chat before being separated for months. But although sleep soon overtakes them, neither of them get any rest!

Audrey wakes to a shocking discovery. Her best friend is getting it on with the **alpha man of the house**, right next to her in her own bed! How could she do something like that? As hot as he is, her friend should never have given in to his **lustly advances**.

But when the two try to convince Audrey to join them, she's even more shocked! Are they really suggesting she do something with **the man who raised her?** OR her best friend?

It's a wild night of **firsts**, as each girl **loses her innocence** to both each other and the sexy older man. **Hard, fast and without protection!**
