Follow Rosie Peaks on her first three adventures in her erotic shifter encounters. Start in Louisiana where there's more than meets the eye and when she's rescued by a swamp shifter, her life will never be the same. But, who would ever believe her tale? Next, Rosie travels to Hopkinsville, Kentucky where she'll be covering their famous alien festival. Will the little green men prove to be nothing more than a folktale or will these otherworldly beings rock her world in this steamy alien shifter menage? Last, Rosie is cornered into covering the Sleepy Hollow Festival in her town of DuFour, Indiana. Once she starts digging into the history of Ichabod Crane, she finds herself wanting to free his ghostly spirit and his lost love from their pasts. But will fiddling with their past lives shatter her heart?
