The Revolt of the Angels (Xist Classics) Anatole France

The Human Spirit in His Quest for Knowledge “I sought out the laws which govern nature, solid or ethereal, and after much pondering I perceived that the Universe had not been formed as its pretended Creator would have us believe; I knew that all that exists, exists of itself and not by the caprice of Iahveh; that the world is itself its own creator and the spirit its own God. Henceforth I despised Iahveh for his imposture, and I hated him because he showed himself to be opposed to all that I found desirable and good: liberty, curiosity, doubt.” - Anatole France, *The Revolt of the Angels*

Arcade, a guardian angel of the lowest rank seeks knowledge and falls out of Heaven because of it. He meets other fallen beings who plot to dethrone God. Maurice is the human who Arcade should be guarding and he wants his guardian angel back. But is he ready to face the truth?
