Addison Baxter has survived more things in one lifetime than any one person should. After her only child Autum dies in a car accident, she finds out how many secrets and lies her abusive husband, Curt, was hiding. Filing for divorce and putting her house up for sale, Addison is determined to build a new life for herself and grieve the loss of her daughter. But life is fickle, and somewhere between grieving and building her new life, Michael Crestmoore walks into her heart like a Mac truck. With Michael around, dealing with life's cruel punches is easier for Addison. No matter what has happened Michael has been her rock, a fact that has not gone unnoticed by her soon to be ex, Curt. Addison wants a new life with Michael; one that holds the promise of love, laughter and healing. But will Curt's jealousy and hurt spill over into Addison's happily ever after?
