Cottages are all about warmth and coziness—and here's a book as welcoming as the style it celebrates. These pages hold the key to achieving that wonderfully laid-back cottage look, with its pickets and porch railings, time-tested color combinations, faded fabrics, family photos, and treasured collections. The pictures speak volumes about how old and new, pretty and primitive, can work perfectly together to create a welcoming retreat in any type of home. And all the ideas and projects are simple yet beautiful—whether it's artfully antiques furniture, whimsical birdhouses, button pillows to scatter everywhere, or a glass-paned door table.
