I don't know you. Yet, I know one thing about you: you are NOT happy.

..... Profound happiness is the ultimate goal of our existence on Earth; it is the goal behind all other goals. When we strive for wealth, a good relationship, a fulfilling job, what we are really looking for is simply profound happiness. And yet we make the mistake of not striving, first and foremost, for profound happiness, for then everything else would fall into place of its own accord.

Each of our lives is directed towards a single objective: The Happiness-Breakthrough

..... Matthias Poehm is one of the best-known public-speaking coaches in the world. For a long time his watchwords were success and notoriety. However in March 2005 he had an incisive spiritual experience and, since then, he has attained insights into the world, which have had a major impact on his previous outlook on life. There is only a vanishingly small number of people on Earth, who are completely at peace with themselves Matthias Poehm has come to the recognition that precisely that is the birthright of each and every one of us.
