Money Game

Adam Smith

Money Game Adam Smith

"This is a modern classic." —Paul A. Samuelson, First American Nobel Prize Winner in Economics

"The best book there is about the stock market and all that goes with it." —*The New York Times Book Review*

"Anyone whose orientation is toward where the action is, where the happenings happen, should buy a copy of **The Money Game** and read it with due diligence." —*Book World*

" 'Adam Smith' is a veteran observer and commentator on the events and people of Wall Street.... His thorough knowledge of financial affairs gives his observations a great degree of authenticity. But the joy of reading this book comes from his delightful sense of humor. He is a lively and ingeniously witty writer who never stoops to acerbity. None of the solemn, sacred cows of Wall Street escapes debunking." —*Library Journal*
