Street Fighter: The Complete History Chris Carle

Street Fighter took the video gaming world by storm in the mid-1980s; more than 127 million copies and hundreds of imitators later, the series continues to be one of the most beloved and successful video game franchises of all time. In this official history, legendary game developer Capcom opens its vault to tell the complete story of Street Fighter. Original text and interviews with the developers and animators present the franchises impact on gaming culture, while more than 200 pieces of artwork reveal the care that went into designing the button-mashing classic. Featuring a slick flexi cover, this collection will be indispensable to the millions of ardent fans worldwide.
