The Clique Lisi Harrison

Massie Block: With her glossy brunette bob and laser-whitened smile, Massie is the uncontested ruler of The Clique and the rest of the social scene at Octavian Country Day School, an exclusive private girls' school in Westchester County, New York. Massie knows you'd give anything to be just like her.

Dylan Marvil: Massie's second in command who divides her time between sucking up to Massie and sucking down Atkins Diet shakes.

Alicia Rivera: As sneaky as she is beautiful, Alicia floats easily under adult radar because she seems so "sweet." Would love to take Massie's throne one day. Just might.

Kristen Gregory: She's smart, hardworking, and will insult you to tears faster than you can say "my haircut isn't ugly!"

Enter Claire Lyons, the new girls from Florida in Keds and two-year-old Gap overalls, who is clearly not Clique material. Unfortunately for her, Claire's family is staying in the guesthouse on Massie's family's huge estate while they look for a new home. Claire's future looks worse than a bad Prada knockoff. But with a little luck and a lot of scheming, Claire might just come up smelling like Chanel No. 19. . . .

The Clique . . . the only thing harder than getting in is staying in.

From reader reviews:

Thomas Dacosta:

This The Clique book is simply not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is information inside this book incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. This particular The Clique without we understand teach the one who studying it become critical in thinking and analyzing. Don't always be worry The Clique can bring when you are and not make your tote space or bookshelves' become full because you can have it with your lovely laptop even cellphone. This The Clique having good arrangement in word and also layout, so you will not sense uninterested in reading.

James Crist:

Do you have something that you like such as book? The publication lovers usually prefer to decide on book like comic, short story and the biggest the first is novel. Now, why not striving The Clique that give your entertainment preference will be satisfied by reading this book. Reading practice all over the world can be said as the method for people to know world better then how they react when it comes to the world. It can't be stated constantly that reading habit only for the geeky man but for all of you who wants to be success person. So , for all of you who want to start looking at as your good habit, you are able to pick The Clique become your current starter.

Karl Irwin:

In this era globalization it is important to someone to get information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of references to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher which print many kinds of book. The book that recommended to you is The Clique this publication consist a lot of the information from the condition of this world now. This book was represented how do the world has grown up. The terminology styles that writer use to explain it is easy to understand. The actual writer made some investigation when he makes this book. This is why this book acceptable all of you.

Claire Davis:

Reserve is one of source of know-how. We can add our understanding from it. Not only for students and also native or citizen need book to know the revise information of year to be able to year. As we know those guides have many advantages. Beside all of us add our knowledge, can bring us to around the world. By book The Clique we can get more advantage. Don't someone to be creative people? To become creative person must prefer to read a book. Only choose the best book that ideal with your aim. Don't become doubt to change your life with that book The Clique. You can more appealing than now.
