## **The Vow: A Novel of the American West** Linda Lael Miller

After twelve years, the headstrong Annabel McKeige is back in the frontier town of Parable, Nevada. Back to face the husband she left behind... the son she never saw grow to manhood... and the home where her heart broke when she lost a beloved daughter. But her intentions regarding their marriage are soon clear-- even if her motives are not. Gabe McKeige loved Annabel too fiercely to let a chance like this slip away. But the iron-willed rancher is also too proud to beg-- he didn't twelve years ago, and he won't now. So, Gabe sets out to woo Annabel the only way he knows... with passion-filled kisses and sensual touches that conjure the sweet firestorm of their marriage bed. And Annabel is finding that the man she once left is unbearably hard to resist...

### From reader reviews:

#### Travis Wysocki:

People live in this new time of lifestyle always try and must have the time or they will get great deal of stress from both daily life and work. So , once we ask do people have extra time, we will say absolutely indeed. People is human not really a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you actually of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative throughout spending your spare time, typically the book you have read is usually The Vow: A Novel of the American West.

#### Alfred Wolff:

Playing with family in a very park, coming to see the marine world or hanging out with buddies is thing that usually you may have done when you have spare time, in that case why you don't try point that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love The Vow: A Novel of the American West, you may enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't get it, oh come on its named reading friends.

#### Edward Avelar:

Your reading 6th sense will not betray an individual, why because this The Vow: A Novel of the American West guide written by well-known writer who really knows well how to make book which can be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your own personal hunger then you still hesitation The Vow: A Novel of the American West as good book not simply by the cover but also from the content. This is one reserve that can break don't ascertain book by its deal with, so do you still needing yet another sixth sense to pick this!?! Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

#### Mario Davis:

In this era which is the greater particular person or who has ability to do something more are more treasured than other. Do you want to become among it? It is just simple solution to have that. What you need to do is just spending your time not much but quite enough to enjoy a look at some books. Among the books in the top record in your reading list is definitely The Vow: A Novel of the American West. This book which is qualified as The Hungry Hillside can get you closer in getting precious person. By looking right up and review this book you can get many advantages.
