## **Book of Terror: 2000 years of Terrorism** Peter Klessa Ramazani

In times like this, many people may ask, “When did terrorism have his beginnings.” I made a lot of research, in order to survey terrorist activities through times. Terrorism had and has many faces. Many rebel or terrorist groups started as opposition to governments, ethnic groups, and religious ideologies. Unfortunately, there is no limit to how cruel resistance can be. This book describes only the a few acts of terrorism, compared to the overwhelming amount of terrorist attacks through times. If I had filled this book with all available information concerning terrorist attacks, it would fill several thousand pages.
