**An unconventional parlor maid upends the lives of an aristocratic family in *New York***

***Times*–bestselling author Margery Sharp’s delightful comedy of manners set in England before the onset of World War II**

Cluny Brown has committed an unforgivable sin: She refuses to know her place. Last week, she took herself to tea at the Ritz. Then she spent almost an entire day in bed eating oranges. To teach her discipline, her uncle, a plumber who has raised the orphaned Cluny since she was a baby, sends her into service to be a parlor maid at one of England’s stately manor houses.

At Friars Carmel in Devonshire, Cluny meets her employers: Sir Henry, the quintessential country squire, and Lady Carmel, who oversees the management of her home with unruffled calm. Their son, Andrew, newly returned from abroad with a Polish émigré writer friend, is certain that the world is once again on the brink of war. Then there’s Andrew’s beautiful fiancée and the priggish pharmacist. While everyone around her struggles to keep pace with a rapidly changing world, Cluny continues to be Cluny, transforming the lives of those around her with her infectious zest for life.
