He leans down, lips parted, and then our lips connect ... We didn't know that this one kiss has FOREVER changed the Land of the Fae. According to the Prophecy proclaimed many years ago, Princess Calista of the Summer Court is destined to change the Land of the Fae from the evil determined to destroy it. Her powers are phenomenal, and she secretly trains for battle with her handsome warrior friend, Merrick, who unbeknownst to her protects her heart as well, in hopes of keeping it for himself. At least, until the seductive Prince Ryder attends the Guardian Ceremony and instantly sends a fire burning through her veins and a connection so deep they both discover a love above anything imaginable. No one knows how Calista is destined to change the kingdoms, but there is one that does. He not only craves Calista's power, but her body as well, and his goal is to steal her power, make her his Dark Queen, and take over the Land of the Fae. Will the evil succeed in claiming Calista's soul? Or will the two men that fight for her heart save her from despair, and help her fulfill her destiny to become what she was meant to be.
