The author of "Manipulation" will explain to you what makes you a target for manipulation. They will also take you through what you need to do to make yourself a harder target, to hopefully break the vicious cycle of manipulation.

Making yourself a harder target for manipulators is great, but that doesn't solve the problem of the current manipulators in your life. If you are currently dealing with manipulators you are going to need to learn how to resist their various tactics. In "Manipulation" you will be given several ideas that you can put to use to start resisting manipulators, as well as tips on how to make your resistance successful.

A big part of being successful against manipulators is getting them out of your life for good, but sadly that is easier said than done. The author of "Manipulation" discusses some of the steps you can take to get rid of any manipulators in your life. The author also provides numerous tips and advice about how to make the break up stick. Breaking up might sound easy, but making it stick is rough, as many find themselves second guessing their decision in the rough days that immediately follow the break up.

If you are tired of living the life others want for you rather than the life you want to live, then it is time to take control over your life. With the exercises and advice provided in "Manipulation" breaking the cycle of manipulation and taking back control has never been easier.
