Real-Resumes for Aviation & Travel Jobs Anne McKinney

This title shows resumes and cover letters of people who wish to obtain jobs in the aviation and travel field or to exit from the industry into new careers. The title reveals techniques for finding aviation and travel industry jobs. Also provided are strategies for transferring skills and experience to other industries. The book contains more than 100 "real" resumes and cover letters tailored to aviation and travel backgrounds, and the purpose of the book is to give models or examples for people to use in creating their own resumes and cover letters tailored to the aviation and travel industry. Readers will find resumes of commercial pilots, ground support equipment operators, airport managers, quality control inspectors, aircraft loading managers, and many others. The book will be of enormous help to people seeking employment in the aviation and travel industry and to people who desire to transfer their aviation backgrounds into new occupational areas. This book reveals secrets and shortcuts to finding jobs in the aviation and travel industries. Also revealed are techniques for transferring from those fields. Resumes are shown of commercial pilots, airport managers, quality control inspectors, aircraft loading managers, ground support equipment operators, travel attendants, travel agents, and many other industry jobs. Some advice from the editor Anne McKinney: "Industries are often cyclical, and downturns do occur in most sectors. So it's important to know how to transfer skills to 'greener pastures' when employment opportunities in aviation and travel are scarce. Whether you seek to get 'in the front door' of the aviation and travel industry or are exiting 'through the back door' on your way to other types of employment, this book will be a valuable aid." Praise for other books in the Real-Resumes Series: "Distinguished by its highly readable samples." - Library Journal "These excellent new guides don't just provide the usual coverage on how to write a resume. They provide industry-specific examples, industry-specific tips and cautions, and industry-specific strategies based on real-world resumes. Since many technical types aren't writers, this comes as a special gift; select a winning format, plug in your background specs, and away you go. It's that easy--with Real-Resumes in hand."-- The Midwest Book Review Testimonials from people who have successfully used this book: "The resumes and cover letters in the Real-Resumes books are easy to personalize. I created my own door-opening resume using these samples." A Linthrop "I couldn't figure out how to reduce my resume to one page until I saw the great samples in the Real-Resumes book. Now my resume gets me in the door." J. Porquiro "When the aviation industry could no longer offer me the employment opportunities I was seeking, I had no clue about how to make a career change. I knew my resume was critical in introducing me, and the Real-Resumes samples solved my problem." S. Estabos "I wanted to become a travel attendant, but I didn't know how to show that my skills were transferable to the aviation industry. Thanks to Real-Resumes, I got in the door and landed my first job in the aviation industry." L. Snider
