For many women, dread turns to panic around 4:00 in the afternoon. That's when they have to answer that age-old question, "What's for dinner?" Many resort to another supermarket rotisserie chicken or--worse yet--ordering dinner through a drive-thru intercom.

In *The "What's for Dinner" Solution*, popular author and speaker Kathi Lipp provides a full-kitchen approach for getting dinner on the table every night. After putting her 21-day plan into action, women will

- save time--with bulk shopping and cooking
- save money--no more last-minute phone calls to the delivery pizza place
- save their sanity--forget the last-minute scramble every night and know what they're having for dinner

The book includes real recipes from real women, a quick guide to planning meals for a month, the best shopping strategies for saving time and money, and tips on the best ways to use a slow cooker, freezer, and pantry.

With Kathi's book in hand, there's no more need to hit the panic button.
