Dumbin' Down: Reflections on the MIS-Education of the Negro Jeffery Menzise

Dr. Jeff Menzise has taken on the monumental task of reflecting on the bold and timeless work of Dr. Carter G. Woodson (*The Mis-Education of the Negro*). He unapologetically engages in a conversation with Dr. Woodson, bringing his original ideas forward into the 21st century by introducing his own thoughts and perspectives to this worldwide issue that should concern everyone. Written with the same candor and tone as Dr. Woodson's work, Dr. Menzise presents his thoughts in plain language, making this work accessible to anyone interested in educating, raising, and developing healthy children.
