Tired of the constant fighting in your relationship? Is this brought about by jealousy? Want to make your relationship to become more mature and healthier? Hoping that you could work out your relationship under tension? If these are your questions, then the answers are now here!

Jealousy is a normal emotion and feeling in any relationship. It is a sign that you truly love someone and it sometimes just show when we are jealous. But, always remember that too much of it can have its effects on both partners and couples. It is one of the most common causes of problems in relationships and in more serious cases, break-ups. It is usually experienced when trust is not as solid as it should be that is why it is important that you build this as your foundation.

This book is your ultimate guide in learning the concept about jealousy including why we feel this way and how we can control it. Learn to know the many factors that affect our feelings of this. It can either be healthy or unhealthy depending on the degree to which it is experienced and to what extent the tensions are felt. Through this book, you can learn how to use jealousy as an advantage to your relationships.

What you will discover inside:

- How to stop being jealous?
- How can jealousy ruin your relationship?
- Talk and make your partner understand
- Consider your limits
- Stress management
- Reassurance
- In moderation
- How to develop trust
- Relationships after surviving jealousy

Included inside are some of the helpful and practical tips that you can use and apply to your own

relationships. You will know how to control jealousy and understand how it can ruin relationships when done too much. We will share with you how to talk to that person in a way that would be easily accepted by your partner without showing disrespect and distrust. Understanding and taking into consideration the limitations of jealousy in relationships can help build up trust even more. If you can manage the stresses both in your personal life separately and as a couple, it will help you go a long way into leveling up the relationship. Give reassurance and the favor shall be returned.

So if you are tired of being jealous or drained of getting jealous at, you can change that now. Build trust and have a more mature relationship so that both of you can have the best experiences and memories to share. Take advantage of that emotion that tears apart most couples and use it to solidify yours. If these are the things that you want then this books is perfect for you.
