Lgrimas en la lluvia (Seix Barral Biblioteca Furtiva) (Spanish Edition) Rosa Montero

Estados Unidos de la Tierra, Madrid, 2109, aumenta el número de muertes de replicantes que enloquecen de repente. La detective Bruna Husky es contratada para descubrir qué hay detrás de esta ola de locura colectiva en un entorno social cada vez más inestable. Mientras, una mano anónima transforma el archivo central de documentación de la Tierra para modificar la Historia de la humanidad. Agresiva, sola e inadaptada, la detective Bruna Husky se ve inmersa en una trama de alcance mundial mientras se enfrenta a la constante sospecha de traición de quienes se declaran sus aliados con la sola compañía de una serie de seres marginales capaces de conservar la razón y la ternura en medio del vértigo de la persecución. Una novela de supervivencia, sobre la moral política y la ética individual; sobre el amor, y la necesidad del otro, sobre la memoria y la identidad. Rosa Montero narra una búsqueda en un futuro imaginario, coherente y poderoso, y lo hace con pasión, acción vertiginosa y humor, herramienta esencial para comprender el mundo.
