St. Therese of Lisieux

Letters of St. Therese of Lisieux, Volume II: General Correspondence 1890-1897 (Critical Edition of the Complete Works of Saint Therese of Lisieux Book 2) St. Therese of Lisieux

This sequel to volume 1 contains all of Thérèse's letters from the end of September 1890 (during her novitiate) until her death in 1897, as well as many letters written to or about her. Here the mature Saint Thérèse shows the path of her growth as a religious and as a deep spiritual writer. The reader learns much about all of her correspondents, including her two "missionary brothers," and gains familiarity with the development of her thought and message. Fifty pages of complementary documents give us useful tools for studying the texts. This work has been translated from the critical edition by John Clarke, OCD. The ebook includes 4 pages of facsimiles of Thérèse's letters, plus a fully linked general and biblical index.
