Narita Express (Kindle Single) Mimi Wong

This story was originally published in Day One, a weekly literary journal dedicated to short fiction and poetry from emerging writers.

Charlie is an expatriate adrift. Since graduation, he's been living in Shanghai, exploring his parents' homeland and trying to understand his own complicated identity as a Chinese American.

One summer day, Charlie takes a trip to Japan to visit his ex-girlfriend, Kiyomi, who is attending graduate school there. Together they travel around Tokyo, taking in the sights, eating at ramen restaurants—and rekindling an old flame. Despite love and good intentions, Charlie unwittingly reopens old wounds and sparks a romance that, because of distance, is bound to ultimately die out. Still, their time together provides clarity, resurrecting all the forgotten reasons their relationship failed in the first place—and shining new light on why it's so hard for both of them to let go.

A story that resonates with anyone who has been disappointed by love, *Narita Express* speaks to the heartbreak of twentysomethings learning to live their own lives.
