What happens when the WOMAN OF THE HOUSE is the hottest MILF in the neighborhood?

She's totally **off limits** and lives **under the same roof**, but is that enough to hold out on when **lust and temptation** explode into **forbidden territory**?

A massive collection of **horny, eager young men** discovering all of what the **women who've raised them** can offer. She's always been right there, **loving, caring, and doting** on those closest to her, but now she's doing something even beyond that. There is a **first time** for everything, even when it comes to **going against the rules of society** in order to satisfy **irresistible carnal urges**.

All of the characters in these stories are consenting adults. Some of them happen to engage in relationship conduct or share relationships that may be offensive to some readers.

Featuring stories from both Anya Merchant and Maddox Mulder.
