## **The Pyramid's Mysteries Resolved: Scientific Solutions to Challenges Regarding the Earth Magnetic Field and Climate Change** Bernard Christian Magnongui

Since the discovery of the Pyramids, numerous disturbing questions about these constructions remained without answer. Neither scientific nor responsible society of government has been able to provide answers to the questions as: • "What did the Pyramids represent for our forefathers?" • "What are the final purposes of their construction?" • "Why were some built in certain places of the globe and not in others?" • "Wouldn't they, be bearers of a centennial transmission?" Today, in this 21st century, a meaningful discovery has been made about the mysteries surrounding the Pyramids. How an intelligent civilization, could have once used them with the purpose of reducing changes in the effects of atmospheric conditions. This book reveals precious information like: the climatic change, the terrestrial magnetic field is a recurring challenge that ancient civilizations had faced since the dawn of times; the tangible and rigorous, or even scientific solutions, have been elaborated, like the model construction of the Pyramids, to face these challenges. Here is a gift offered to you, the public: Would you like to get a better knowledge of the phenomenon of the Pyramids? Better to think of ways to reduce the impact of seismic activities (earthquakes), to discover sources of natural and renewable energies. Lastly, the use of new methods fertilization of soils, to know the power of stones and minerals, and how to benefit from the positive effects that finally revealed themselves inside the Pyramids. All the answers are here!
