This is why we can't have nice things. Maggie Leung

As a mom of two little boys, I was inspired to share humorous stories of my two sons through their toddler years (which are not yet quite over). This book contains twenty two pages of hand-drawn illustrations showcasing a mother of two little boys coming to the realization she can't have nice things, at least for a little while. While names have been changed to protect the "innocent", these stories are all true. The book ends on a sweet note that all parents share, that sacrificing nice things for our sweet children really isn't difficult at all.
