Whatever the Cost: Facing Your Fears, Dying to Your Dreams, and Living Powerfully David Benham, Jason Benham

“Two nationally-acclaimed real estate entrepreneurs share biblical principles to revolutionize your work and family life, and give you the courage to stand up for what is right.”

This book follows the story of highly motivated and entrepreneurial twin brothers, David and Jason Benham, from their formative years and ventures into professional baseball to their rise as owners of a multi-million dollar business empire and securing an HGTV reality series. It's a journey where the brothers learned how they must die to their dreams not just once, but twice as they walked away from baseball before being called up to the Big Show and later as their TV series was stripped away from them just before airing when the network succumbed to media pressures surrounding their faith. These experiences only helped them realize that the key to powerful living is found when you die to your dreams and face your fears, and choose to live powerfully through it all. The biblical principles they implemented to guide their work and families are revealed in practical terms to apply to our daily lives and give us courage to stand for what is right. The book will expand on principles such as:

- Show that You are Faithful in Little
- Be a Fountain to Others and not a Drain
- Produce More in Value than You Receive
- Work to Your Ability and not Your Pay
- Breathe Life into All Situations
- Remember that You are Human Beings, not Human Doings
- Hold to a Standard of Disciplined Living
- Don't Swing at Every Pitch
- Find Your Greatest Blessings on the Other Side of Your Greatest Fears
