"For All of The Trees" is a collection of free verse poems that follow the author on her journey to self-discovery through life, love, heartbreak, and healing. This book is by no means a self-help guide, nor can it offer discreet answers to life's questions, however you may find comfort somewhere in between the pieces that resonate soundly with your heart. Maybe you've experienced this kind of hurt, this kind of euphoria. This book is meant to give you hope that one day, you will, and you too, will be a survivor.
