Albert Pike

Morals And Dogma (Illustrated) Albert Pike

Fully illustrated. This is Albert Pikes' volume of 'lectures' on the esoteric roots of Freemasonry, specifically the 32-degree Scottish Rite. Until 1964, this book was given to every Mason completing the 14th degree in the Southern jurisdiction of the US Scottish Rite Freemasons. *Morals and Dogma* is a huge, rambling treasure-house of esoteric data, particularly on the Kabalah and ancient Mystery religions. Whether you just browse these pages or study it from one end to the other, this is a must-read book for anyone looking for long-lost knowledge.
