Pipsqueak! is a budgie with the amazing ability to learn the human language and use human words and sentences appropriately in context. Pipsqueak! started out with mimics. Due to his extraordinary intelligence and his great connection with and shared love with his human, Cheri, his mimics quickly advanced to full learning and application. He now speaks about 800 words in English. He learns new words daily on his own and creates new sentences on his own. It's a remarkable and touching story.
