## **Romeo and Juliet (Oxford School Shakespeare Series)** William Shakespeare

The Oxford School Shakespeare is a well-established series which helps students understand and enjoy Shakespeare's plays. As well as the complete and unabridged text, each play in this series has an extensive range of students' notes. These include detailed and clear explanations of difficult words and passages, a synopsis of the plot, summaries of individual scenes, and notes on the main characters. Also included is a wide range of questions and activities for work in class, together with the historical background to Shakespeare's England, a brief biography of Shakespeare, and a complete list of his plays. For this new edition, the text of the play, the notes, and the introductory matter have all been revised so as to make them clearer and more accessible. In addition, the entire text of the book has been redesigned and reset to make it easier to read. Photographs of recent stage production have been included and there is a new, attractive cover design. Roma Gill, the series editor, has taught Shakespeare at all levels. She has acted in and directed Shakespeare's plays, and has lectured on Shakespeare all over the world.

After you know how the fantastic a book, you feel desire to read more and more. Science publication was created for teacher or even students especially. Those guides are helping them to bring their knowledge. In some other case, beside science publication, any other book likes Romeo and Juliet (Oxford School Shakespeare Series) to make your spare time much more colorful. Many types of book like this one.

#### **James Waddell:**

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see

colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Romeo and Juliet (Oxford School Shakespeare Series) can make you really feel more interested to read.
