A component of the PASSport to Success, this Study Guide is the ideal companion to the Twelfth Edition of Memmler's The Human Body in Health and Disease, the acclaimed classic text for anatomy and physiology. Following the text's organization chapter by chapter, the Study Guide offers a full complement of self-study aids to engage students in learning and enable them to assess and build their knowledge as they advance through the text. Most importantly, it allows them to get the most out of their study time, with a variety of exercises that meet the needs of all types of learners. Self-study aids include all-new illustrations, chapter overviews, writing exercises, coloring and labeling exercises, concept maps, practical application scenarios, matching exercises, short-essay questions, multiple-choice, fill-in-the-blank, and true-false questions, and more.
