## Until the Sea Shall Free Them: Life, Death, and Survival in the Merchant Marine (Bluejacket Books)

Robert Frump

In 1983 the Marine Electric, a "reconditioned" World War II vessel, was on a routine voyage thirty miles off the East Coast of the United States when disaster struck: The old coal carrier sank in the frigid forty-foot waves and subzero winds of the Atlantic, and of the thirty-four men aboard, only three survived. *Until the Sea Shall Free Them* recounts in compelling detail the wreck of the Marine Electric and the legal drama that unfolded in its wake--a lawsuit that led to vital reforms in the laws regarding the safety of ships.
