## **Learning Starts At Home: A Parent Handbook for Infants & Toddlers** Sarah Ceccanti-McNamara

We have the wonderful opportunity and responsibility for nurturing our children. This nurturing process takes place in several areas of development, including physical, emotional and intellectual. Many parents focus on the first two, leaving the latter to be covered in school. However, the foundation for learning starts at home. This book was created for those who are interested in improving the quality of time you spend with your children, whether you are a full-time stay at home parent or not. The book includes sample lesson plans for teaching the basics before starting school, such as the alphabet and counting.
