Gripping WWII fiction for fans of *Code Name Verity* and *Between Shades of Gray*

At the start of World War II, ten-year-old Franziska Mangold is torn from her family when she boards the *kindertransport* in Berlin, the train that secretly took nearly 10,000 children out of Nazi territory to safety in England. Taken in by strangers, Frances (as she is now called) courageously pieces together a new life for herself. But what will happen to her when she is finally reunited with her family, now that she's a stranger herself after seven years of war?

Originally published in Germany, Anne Voorhoeve's award-winning novel is filled with humor, danger, and romance.

*** "With the personal Kindertransport history, the intense drama about family, faith, guilt, love, and loyalty in wartime makes this an important addition to the Holocaust curriculum."**

*** "Events and facts are expertly woven into the girl's emotional growth, and changing relationships . . . provide a rich exploration of identity and self. With a compelling main character and taut and insightful story line, this novel is sure to find no shortage of readers, and it adds a valuable perspective to collections of World War II fiction."**
