When Polly decided her time was right she needed to find someone to teach her.

She had tried her boyfriend, but he had only got angry when she couldn't do the things he wanted.

So who better to turn to than the man of the house.

He was older and wiser and was sure to know lots.

Sure, he knew he probably shouldn't, but what red-blooded man could possibly resist such a request.

Especially from such a beautiful young woman.

He was going to teach her all that he knew.

And she was going to love every sweet, dirty second of it.

******WARNING****** this erotic story contains vivid descriptions of a variety of taboo sexual acts between an inexperienced young woman and the mature man of the house.

Nothing here is left to the imagination, so you should only read this if you are aged 18 or over and feel comfortable with what is described within.

NOTE – None of the characters in this story are blood related, all are over the age of 18 and all acts committed are legal, consensual and completely filthy.
