In today's volatile financial environment, growing numbers of investors are looking to flee the stock market in search of safer ground. While the bond market has often been a "safe haven," confusing new bonds and bond funds make it increasingly difficult for unfamiliar investors to choose the correct fixed income investments. The Bond Book provides investors with the information and tools they need to make bonds a comforting, important, and profitable component of their portfolios. Thoroughly revised, updated, and expanded from its bestselling first edition, this all-in-one sourcebook includes: \*A new section on using the Internet to research, buy, and sell bonds \*A new chapter devoted to increasingly popular foreign bonds \*Detailed information on the inflation-linked Treasury bonds \*Explanation of the new categories of bond funds \*Tips on how to evaluate and buy bond funds
