The Continuous Atonement for Teens Brad Wilcox

The Continuous Atonement by Brad Wilcox is a landmark work that helps to clarify what the Atonement is-- and what it is not. It corrects misperceptions and offers hope to those who struggle again and again.

This teen adaptation will help teenagers better understand and apply the Atonement in their lives and help them teach the nuances of the Atonement to others, whether on a mission, at home, or with friends. As they better understand and apply the Atonement, its transforming power will have a lasting effect in their lives.

Each chapter opens with a teen-appropriate question and includes subheadings to clarify content, new stories relevant to teens, and a Prepare to Teach section to help readers internalize and share what they are learning. This shorter edition will be printed in paperback, perfect for teens to carry with them through their busy days.
