Twin Visions: The Magical Art of Boris Vallejo and Julie Bell Boris Vallejo, Julie Bell

In this eagerly awaited new collection, Boris and Julie show off many of their most recent masterpieces, created over the last few years, together with a selection of pictures from earlier in their careers that have never before been featured in their books. The provocative paintings, which were often originally created for calendars and other commissions, make an invaluable addition to the collector's portfolio. Boris Vallejo, one of the top and most respected fantasy artists in the world, has done a great volume of work for the Fantasy field, having worked for virtually every major publishing house with a science fiction/fantasy line. Boris has also illustrated for album covers, video box art, and motion picture advertising. During the past eight years, Julie Bell has established herself as a force to be reckoned with. Her art studies have always centered on drawing, especially of the human figure. Her unique sense of color and dramatic composition put her paintings in a class of their own. Collections of her paintings have appeared in book form, calendars, posters, trading cards, and many other products.
