Always Been Mine Carina M Adams

Josephine Walker doesn't do drama. All her life she has taken the safe route and done what was expected; she married her college sweetheart, found a great job, had two beautiful children and settled in to her little piece of perfection to live out her life. She was happy with the mundane.

The only thing that seems out of place is her best friend Matt; he is as funny, crazy and impulsive as she is sarcastic, dependable and predictable. Matt's life is loud and full of chaos. Jo knows his past is as dark as his tattoos, that his secrets are buried for a reason, but all she can see is that he's always got her back.

When her marriage falls apart, Matt swoops in to help Jo pick up the pieces. At least, that's what he planned to do. But, Jo has other plans. She's done playing it safe, done caring what other people think. She wants wild and crazy; and as much as she tries to ignore it, she wants Matty.

Together they have to answer the ultimate question; can a man and a woman, who are as close as they are, ever truly be just friends?

Jo adores Matt, she trusts him completely. But, will she risk everything, including their friendship, to take a chance on love with the bad boy that could destroy her heart?
