Beyond Sight: The True Story of a Near-Death Experience Marion Rome
SPIRITUAL NEAR-DEATH EXPERIENCE

Synopsis:

Author Marion Rome almost died, and returned to tell the tale. And the story she brings us? There is so much less to fear in life – or death – than we think.

In this frank and compassionate account, we hear how death doesn't really exist, it doesn't take religion to get to 'heaven', and love is our ultimate purpose. We learn what it feels like to experience life as a soul freed of its bodily constraints, once more aware of our true place in the universe.

Her near-death experience has led Marion to transform her working life, and to put love first. She has also learned to forgive – herself, for times when she has lashed out or let people down, and those, even her own mother, who have hurt her badly in this physical realm.

Marion shares her NDE in detail, including her encounter with the super-loving souls that exist beyond our everyday senses, and invites you to join her in seeing beyond fear, guilt and blame to recognise the potential we all have to connect with universal love throughout our earthly lives.
