Joshua Hill, Nancy Marion

Introduction to Cybercrime: Computer Crimes, Laws, and Policing in the 21st Century (Praeger Security International) Joshua Hill, Nancy Marion

Explaining cybercrime in a highly networked world, this book provides a comprehensive yet accessible summary of the history, modern developments, and efforts to combat cybercrime in various forms at all levels of government—international, national, state, and local.

- Provides accessible, comprehensive coverage of a complex topic that encompasses identity theft to copyright infringement written for non-technical readers
- Pays due attention to important elements of cybercrime that have been largely ignored in the field, especially politics
- Supplies examinations of both the domestic and international efforts to combat cybercrime
- Serves an ideal text for first-year undergraduate students in criminal justice programs
