**Kismet** A.E. Woodward

Katie's world came crashing down in an instant.

Her husband, daughter, and unborn baby. . . all gone in a flash. The life that she'd come to know, gone before she ever really got to live it.

With a broken heart, she deals the only way she knows how, by shutting it all off. No communicating, no feelings, just pure nothingness.

Alone with nothing but her own thoughts and a well meaning family, she moves back to her childhood home, a horse farm. It's there that she finds herself healing along with the horses her family rehabilitates. But when Parker McKenzie comes back into her life she's reminded of all that went wrong, and all that she lost.

Will Katie ever begin to heal? Or will her secrets and loss be too much for her to overcome?

Perhaps, this is her kismet.
