More Necklaces Braided on the Kumihimo Disk Karen DeSousa

Karen DeSousa's second kumihimo book has more of everything. More braids. More patterns. More necklaces. More great tips for making and finishing beautiful braids. It's suitable for beginners and challenging enough for more experienced braiders. The book revisits the round braid (for beginners) and then pumps it up by adding seed beads and finishes without findings. The book includes the Laramie twist, the 16 bobbin Roundabout, a different round braid called the Top and Bottom Tango that lets you evenly space out beads and crystals, and the Color Tipped Swirl which puts an edge of color to a fabulous twist braid. If that weren't enough, the book then tells you how to turn these great braids into beautiful necklaces. Fun, elegant, artistic, great for all ages.
